Dear Mr. Edwards,

The Fry's Spring Neighborhood Association has reviewed the request by the Old Lynchburg Road residents to support their efforts for sidewalks from Jefferson Park Avenue to Azalea Park and for updated drainage systems along Old Lynchburg Road. The Fry's Spring Neighborhood Association is pleased to fully support these requests as it will enhance the neighborhood by providing a safe walking environment and protect the homes in the area. I hope that these requests can be included on the City Wide Project List and the Neighborhood Project List for consideration in the very near future.

I know that you have corresponded with Jeanne Chase who is spearheading this campaign and will be copying her on this letter. Should you have any questions or concerns, please feel free to contact me at 972-1730 during the day or to e-mail me at [jlssunset@aol.com](mailto:jlssunset@aol.com).

Again, thank you for your work to date and I look forward to hearing from you as the project progresses.

Sincerely,

John Santoski  
President  
Fry's Spring Neighborhood Association
